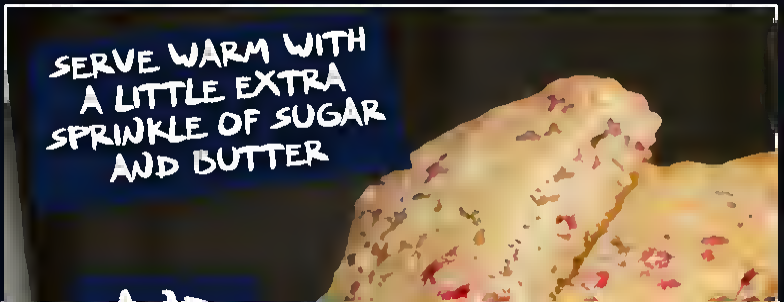
GET READY FOR THE HARVEST

LOOKING GOOD



SERVE WARM WITH A LITTLE EXTRA SPRINKLE OF SUGAR AND BUTTER

THE NOTES

- When compressing the dough it will seem very dry at first. If you compress it really well into a ball and it still falls apart from being too dry, add in just the tiniest splash of milk and you'll be good to go.

- Use any kind of berry you like.

- If you feel like planning ahead you could put the butter in the freezer overnight for use the next morning.

- If you have the pan you can cut these after

COOKING INSTEAD OF BEFORE.

- EASY EVEN IF YOU CREEPILY SMALL BABY HANDS

- THE GAME IN THE SCREENSHOT IS STARDEW VALLEY. IT'S BEEN THE BIGGEST SURPRISE I'VE HAD WITH A GAME IN A WHILE. I'VE NEVER PLAYED A GAME LIKE IT AND I REALLY DIDN'T EXPECT TO CARE FOR IT VERY MUCH, BUT HOLY CRAP DID IT PULL ME IN.

AND AS ALWAYS
